## The 3<sup>rd</sup> *Notable* Kingdom

And when he [Jesus] had opened **the third seal**, I heard the third beast say, Come and see. And I beheld, **and lo a black horse [the 3<sup>rd</sup> notable kingdom]**; and he that sat on him had a pair of balances in his hand. And I heard a voice in the midst of the four beasts say, A measure of wheat for a penny, and three measures of barley for a penny; and see thou hurt not the oil and the wine. (Revelation 6.05)

and **another third [dream] kingdom** of brass, which shall bear rule over all the earth. (Daniel 2.39)

After this I beheld, and lo **another [3<sup>rd</sup> sea beast]**, like a leopard, which had upon the back of it four wings of a fowl; the beast had also four heads; and dominion was given to it. (Daniel 7.06)

These few verses reveal little about the nature of the 3<sup>rd</sup> *notable* kingdom other than it is the only one of the four kingdoms that will achieve *dominion* and *bear rule over all the earth* without the use of a warring force – *and dominion was given to it*. Law 3 has no objection to this kingdom being a United Nations type world organization formed in the name of “Peace” to address the worldwide chaos following the Great Escape and Opening Day of the 2300 days. It would be a natural thing for an existing world entity such as this to immediately *stand up* and assume authority when *an overflowing rain, and great hailstones, fire, and brimstone* extinguish the dominions of the first two *notable* kingdoms.

During the overlap of their individual mandates, the four *notable* kingdoms could operate under similar arrangements as do the current nations of America, Great Britain, Russia, and Islam. They are all members of the United Nations, however, the power of the alliance of America and Great Britain in no way inhibits Russia from controlling Syria and devouring various portions of the Ukraine, nor does it deter Islam from aggressively pursuing the prophesied worldwide caliphate that is so prominent in Muslim teachings. It is in a similar manner that all four *notable* kingdoms will most likely function after the breaking of *the first king* of Yavan.

The reign of the 3<sup>rd</sup> *notable* kingdom should be a short one considering that a worldwide food shortage occurs under the *strong delusion* of its leadership such that a day's worth of food will cost a day's wages. Having no concern for the suffering of the people, the hard and greedy hearts of the bureaucrats riding their *black horse* of famine and death will shine most darkly, as their primary focus will be on procuring *oil* for the war machine and maintaining the *wine* culture of the Globalist. The utter corruptness of the kingdom will be the fatal flaw that provides the opportunity for the *ten kings* of Phase I of the 4<sup>th</sup> *notable* kingdom to *stand up* and quickly engulf the 3<sup>rd</sup> kingdom and what is left of the first two.

Lurking in the wings of the world stage at this very moment is a global entity that fully complies with all the criteria required to be the 3<sup>rd</sup> *notable* kingdom. On June 4, 2003, in Aqaba, Jordan, a four-headed beast comprised of the United States, Russia, the European Union, and the United Nations – a.k.a., the Quartet – declared itself the arbiter in the creation of an Islamist Palestinian state by the confiscation of large portions of the sovereign territory of Israel. The method by which the Quartet proposes to divide the land of Israel is set out in a paper released at

the conclusion of its Red Sea Summit titled, “A Performance-based Roadmap to a Permanent Two-State Solution to the Israeli-Palestinian Conflict.”

A group like the Quartet could be in the background lobbying for the division of the Temple mount at the same time the first two *notable* kingdoms are out riding high on their horses. In spite of being inferior to the first two kingdoms (as *brass* is to gold and silver), it would be in a perfect position to seize control when Yavan, Britain and Russia are taken out. Whether it is the Quartet or a similar four-headed beast, it appears the 3<sup>rd</sup> *notable* kingdom will truly become the new world order the Globalist has been attempting to foster on mankind for more than a century.

On December 23, 2016, the first “legal” step in stealing large portions of Israel for a Palestinian state was successfully taken by President Obama when he failed to veto the United Nations declaration that East Jerusalem, which includes the Temple mount, now belongs to the Palestinians and not to Israel, as it has since the 1967 war. The latest step against the Jewish state was taken when President Biden received orders from the Legion of Hate to undermine President Trump’s Abraham Accords with Israel and replace them with the Quartet and the Palestinian friendly Red Sea Summit. These unprecedented and unwarranted, presidential actions have not only betrayed Israel, they have betrayed every single person in America by exposing the entire nation to the *curse* of God: *And I will bless them that bless thee, and curse him that curseth thee.*

## **The Middle East Quartet Roadmap**

*The Middle East Quartet mediators (the United Nations, European Union, United States and Russia) presented the following full text of a roadmap to peace in the Middle East.*

### **A Performance-based Roadmap to a Permanent Two-State Solution to the Israeli-Palestinian Conflict**

The following is a performance-based and goal-driven roadmap, with clear phases, timelines, target dates, and benchmarks aiming at progress through reciprocal steps by the two parties in the political, security, economic, humanitarian, and institution-building fields, under the auspices of the Quartet.

The destination is a final and comprehensive settlement of the Israel-Palestinian conflict by 2005, as presented in President Bush's speech of 24 June, and welcomed by the EU, Russia and the UN in the 16 July and 17 September Quartet Ministerial statements. A two state solution to the Israeli-Palestinian conflict will only be achieved through an end to violence and terrorism, when the Palestinian people have a leadership acting decisively against terror and willing and able to build a practicing democracy based on tolerance and liberty, and through Israel's readiness to do what is necessary for a democratic Palestinian state to be established, and a clear, unambiguous acceptance by both parties of the goal of a negotiated settlement as described below.

The Quartet will assist and facilitate implementation of the plan, starting in Phase I, including direct discussions between the parties as required.

The plan establishes a realistic timeline for implementation.

However, as a performance-based plan, progress will require and depend upon the good faith efforts of the parties, and their compliance with each of the obligations outlined below.

Should the parties perform their obligations rapidly, progress within and through the phases may come sooner than indicated in the plan.

Non-compliance with obligations will impede progress.

A settlement, negotiated between the parties, will result in the emergence of an independent, democratic, and viable Palestinian state living side by side in peace and security with Israel and its other neighbours.

The settlement will resolve the Israel-Palestinian conflict, and end the occupation that began in 1967, based on the foundations of the Madrid Conference, the principle of land for peace, UNSCRs 242, 338 and 1397, agreements previously reached by the parties, and the initiative of Saudi Crown Prince Abdullah - endorsed by the Beirut Arab League Summit - calling for acceptance of Israel as a neighbour living in peace and security, in the context of a comprehensive settlement.

This initiative is a vital element of international efforts to promote a comprehensive peace on all tracks, including the Syrian -Israeli and Lebanese-Israeli tracks.

The Quartet will meet regularly at senior levels to evaluate the parties' performance on implementation of the plan. In each phase, the parties are expected to perform their obligations in parallel, unless otherwise indicated.

### **Phase I: Ending terror and violence, normalising Palestinian life, and building Palestinian institutions (present to May 2003)**

In Phase I, the Palestinians immediately undertake an unconditional cessation of violence according to the steps outlined below; such action should be accompanied by supportive measures undertaken by Israel.

Palestinians and Israelis resume security co-operation based on the Tenet work plan to end violence, terrorism, and incitement through restructured and effective Palestinian security services.

Palestinians undertake comprehensive political reform in preparation for statehood, including drafting a Palestinian constitution, and free, fair and open elections upon the basis of those measures.

Israel takes all necessary steps to help normalise Palestinian life.

Israel withdraws from Palestinian areas occupied from September 28, 2000 and the two sides restore the status quo that existed at that time, as security performance and cooperation progress.

Israel also freezes all settlement activity, consistent with the Mitchell report.

#### **At the Outset of Phase I:**

Palestinian leadership issues unequivocal statement reiterating Israel's right to exist in peace and security and calling for an immediate and unconditional ceasefire to end armed activity and all acts of violence against Israelis anywhere. All official Palestinian institutions end incitement against Israel.

Israeli leadership issues unequivocal statement affirming its commitment to the twostate vision of an independent, viable, sovereign Palestinian state living in peace and security alongside Israel, as expressed by President Bush, and calling for an immediate end to violence against Palestinians everywhere. All official Israeli institutions end incitement against Palestinians.

#### **Security**

- \* Palestinians declare an unequivocal end to violence and terrorism and undertake visible efforts on the ground to arrest, disrupt, and restrain individuals and groups conducting and planning violent attacks on Israelis anywhere.
- \* Rebuilt and refocused Palestinian Authority security apparatus begins sustained, targeted, and effective operations aimed at confronting all those engaged in terror and dismantlement of terrorist capabilities and infrastructure. This includes commencing confiscation of illegal weapons and consolidation of security authority, free of association with terror and corruption.
- \* GOI takes no actions undermining trust, including deportations, attacks on civilians; confiscation and/or demolition of Palestinian homes and property, as a punitive measure or to facilitate Israeli construction; destruction of Palestinian institutions and infrastructure; and other

- measures specified in the Tenet work plan.
- \* Relying on existing mechanisms and on-the-ground resources, Quartet representatives begin informal monitoring and consult with the parties on establishment of a formal monitoring mechanism and its implementation.
  - \* Implementation, as previously agreed, of US rebuilding, training and resumed security cooperation plan in collaboration with outside oversight board (US-EgyptJordan). Quartet support for efforts to achieve a lasting, comprehensive ceasefire.
    - All Palestinian security organizations are consolidated into three services reporting to an empowered Interior Minister.
    - Restructured/retrained Palestinian security forces and IDF counterparts progressively resume security co-operation and other undertakings in implementation of the Tenet work plan, including regular senior-level meetings, with the participation of US security officials.
  - \* Arab states cut off public and private funding and all other forms of support for groups supporting and engaging in violence and terror.
  - \* All donors providing budgetary support for the Palestinians channel these funds through the Palestinian Ministry of Finance's Single Treasury Account.
  - \* As comprehensive security performance moves forward, IDF withdraws progressively from areas occupied since 28 September 2000 and the two sides restore the status quo that existed prior to 28 September 2000. Palestinian security forces redeploy to areas vacated by IDF.

### **Palestinian Institution Building**

- \* Immediate action on credible process to produce draft constitution for Palestinian statehood. As rapidly as possible, constitutional committee circulates draft Palestinian constitution, based on strong parliamentary democracy and cabinet with empowered prime minister, for public comment/debate. Constitutional committee proposes draft document for submission after elections for approval by appropriate Palestinian institutions.
- \* Appointment of interim prime minister or cabinet with empowered executive authority/decision-making body.
- \* GOI fully facilitates travel of Palestinian officials for PLC and cabinet sessions, internationally supervised security retraining, electoral and other reform activity, and other supportive measures related to the reform efforts.
- \* Continued appointment of Palestinian ministers empowered to undertake fundamental reform. Completion of further steps to achieve genuine separation of powers, including any necessary Palestinian legal reforms for this purpose.
- \* Establishment of independent Palestinian election commission. PLC reviews and revises election law.
- \* Palestinian performance on judicial, administrative, and economic benchmarks, as established by the International Task Force on Palestinian Reform.
- \* As early as possible, and based upon the above measures and in the context of open debate and transparent candidate selection/electoral campaign based on a free, multiparty process, Palestinians hold free, open, and fair elections.
- \* GOI facilitates Task Force election assistance, registration of voters, movement of candidates and voting officials. Support for NGOs involved in the election process.
- \* GOI reopens Palestinian Chamber of Commerce and other closed Palestinian institutions in East Jerusalem based on a commitment that these institutions operate strictly in accordance with prior agreements between the parties.

## **Humanitarian Response**

- \* Israel takes measures to improve the humanitarian situation. Israel and Palestinians implement in full all recommendations of the Bertini report to improve humanitarian conditions, lifting curfews and easing restrictions on movement of persons and goods, and allowing full, safe, and unfettered access of international and humanitarian personnel.  
AHLC reviews the humanitarian situation and prospects for economic development in the West Bank and Gaza and launches a major donor assistance effort, including to the reform effort.
- \* GOI and PA continue revenue clearance process and transfer of funds, including arrears, in accordance with agreed, transparent monitoring mechanism.

## **Civil Society**

- \* Continued donor support, including increased funding through PVOs/NGOs, for people to people programs, private sector development and civil society initiatives.

## **Settlements**

- \* GOI immediately dismantles settlement outposts erected since March 2001.
- \* Consistent with the Mitchell Report, GOI freezes all settlement activity (including natural growth of settlements).

## **Phase II: Transition (June 2003 December 2003)**

In the second phase, efforts are focused on the option of creating an independent Palestinian state with provisional borders and attributes of sovereignty, based on the new constitution, as a way station to a permanent status settlement.

As has been noted, this goal can be achieved when the Palestinian people have a leadership acting decisively against terror, willing and able to build a practicing democracy based on tolerance and liberty.

With such a leadership, reformed civil institutions and security structures, the Palestinians will have the active support of the Quartet and the broader international community in establishing an independent, viable, state.

Progress into Phase II will be based upon the consensus judgment of the Quartet of whether conditions are appropriate to proceed, taking into account performance of both parties.

Furthering and sustaining efforts to normalise Palestinian lives and build Palestinian institutions, Phase II starts after Palestinian elections and ends with possible creation of an independent Palestinian state with provisional borders in 2003.

Its primary goals are continued comprehensive security performance and effective security co-operation, continued normalisation of Palestinian life and institution-building, further building on and sustaining of the goals outlined in Phase I, ratification of a democratic Palestinian constitution, formal establishment of office of prime minister, consolidation of political reform, and the creation of a Palestinian state with provisional borders.

**\*International conference:** Convened by the Quartet, in consultation with the parties, immediately after the successful conclusion of Palestinian elections, to support Palestinian economic recovery and launch a process, leading to establishment of an independent Palestinian state with provisional borders.

- Such a meeting would be inclusive, based on the goal of a comprehensive Middle East peace (including between Israel and Syria, and Israel and Lebanon), and based on the principles described in the preamble to this document.
- Arab states restore pre-intifada links to Israel (trade offices, etc.).
- Revival of multilateral engagement on issues including regional water resources, environment, economic development, refugees, and arms control issues.

\*New constitution for democratic, independent Palestinian state is finalised and approved by appropriate Palestinian institutions. Further elections, if required, should follow approval of the new constitution.

\*Empowered reform cabinet with office of prime minister formally established, consistent with draft constitution.

\*Continued comprehensive security performance, including effective security cooperation on the bases laid out in Phase I.

\*Creation of an independent Palestinian state with provisional borders through a process of Israeli-Palestinian engagement, launched by the international conference. As part of this process, implementation of prior agreements, to enhance maximum territorial contiguity, including further action on settlements in conjunction with establishment of a Palestinian state with provisional borders.

\*Enhanced international role in monitoring transition, with the active, sustained, and operational support of the Quartet.

\*Quartet members promote international recognition of Palestinian state, including possible UN membership.

### **Phase III: Permanent status agreement and end of the Israeli-Palestinian conflict (2004-2005)**

Progress into Phase III, based on consensus judgment of Quartet, and taking into account actions of both parties and Quartet monitoring.

Phase III objectives are consolidation of reform and stabilisation of Palestinian institutions, sustained, effective Palestinian security performance, and Israeli-Palestinian negotiations aimed at a permanent status agreement in 2005.

- \* **Second international conference:** Convened by Quartet, in consultation with the parties, at beginning of 2004 to endorse agreement reached on an independent Palestinian state with provisional borders and formally to launch a process with the active, sustained, and operational support of the Quartet, leading to a final, permanent status resolution in 2005, including on borders, Jerusalem, refugees, settlements; and, to support progress toward a comprehensive Middle East settlement between Israel and Lebanon and Israel and Syria, to be achieved as soon as possible.
- \* Continued comprehensive, effective progress on the reform agenda laid out by the Task Force in preparation for final status agreement.
- \* Continued sustained and effective security performance, and sustained, effective security cooperation on the bases laid out in Phase I.

- \* International efforts to facilitate reform and stabilise Palestinian institutions and the Palestinian economy, in preparation for final status agreement.
- \* Parties reach final and comprehensive permanent status agreement that ends the Israel-Palestinian conflict in 2005, through a settlement negotiated between the parties based on UNSCR 242, 338, and 1397, that ends the occupation that began in 1967, and includes an agreed, just, fair, and realistic solution to the refugee issue, and a negotiated resolution on the status of Jerusalem that takes into account the political and religious concerns of both sides, and protects the religious interests of Jews, Christians, and Muslims worldwide, and fulfils the vision of two states, Israel and sovereign, independent, democratic and viable Palestine, living side-by-side in peace and security.
- \* Arab state acceptance of full normal relations with Israel and security for all the states of the region in the context of a comprehensive Arab-Israeli peace.
